Thorley Cricket Club Colt section. Activities for 2011

Thorley Cricket clubs colt section will be enjoying another season in which a range of activities will be available for young people from age 7 and over. The club can provide access to cricket for all age groups including holiday coaching events and club night sessions on a Thursday evening throughout the cricket season.

The colt section continues to go from strength to strength and once again this year will include.

Three day coaching schools during all school Holidays during the season starting April and ending in September.

Youth coaching sessions run on a Thursday from 6pm to 7pm at a cost of £3 per session £2 for colt section members. The first 10 of these sessions are free to Junior section members and discounts on the coaching courses are also available to junior members.

This year we hope to continue to provide a safe and enjoyable club in which all young people can experience and enjoy the game of cricket and find a club in which they feel they belong. We hope to introduce some competitive matches for our older youth section members and include junior cricket as part of the regular clubs activities.

The club also plans to take cricket into the wider community by providing opportunities to take part in cricket in local schools.

You can keep up with all the news and events by visiting the clubs website www.thorleycc.net/development
